Do All Applicator

Characteristics

- o Durable, made of high quality European foam
- Size: width 8.5 cm, height 11 cm, thickness 2.5cm
- Extremely durable, Lasts long
- Withstands solvent based products

Key Benefits

- o Firm foam design that will not shred into crumbs.
- Reduces product runs, drips or waste.
- Works on interior and exterior surfaces.
- Works excellent with Dashboard Dressing, Vinyl Dressing, Tyre Dressing & Car Polishes.

How to use

- o Spread dressings over dashboards and door cards with no drips or mess with the Do All Applicator (Red).
- Use the Do All Applicator (Black) to spread tire shine on large nubbly off-road tires evenly without missing any spots.

Notes

- Keep heat & flames away.
- Use separate applicator for tyres.
