Silicon Polish – (HSN – 3405 3000)

Packing 2.5L, 35L, 200L

Characteristics

- Milky white liquid
- Oil in water emulsion
- Strawberry Scent

Key Benefits

- Generates deep gloss quickly.
- Moderately durable.
- Can be applied to both wet and dry surfaces.
- Easy to use.

How to use

- Dust off or wash your car with Jopasu Car Shampoo to get rid of any dirt or dust particles.
- Need not wipe dry.
- Following steps to be done starting from the roof, proceeding to the hood, trunk and sides.
- Apply product evenly over a 2'X2' painted surface with an applicator sponge.
- Use even pressure in circular motion and allow it to dry to haze.
- Remove the residue with clean soft microfiber.

Notes

- Ensure vehicle is not under direct sunlight while polishing.
- Do NOT use Jopasu Silicon Polish on warm/hot surfaces.
