

J In Cream

Jopasu J-In Cream triple action formula that removes dirt, grease and grime build-up while polishing and nourishing the car's interiors, bikes, fine wooden furniture, metal, glass, leather and plastic surfaces at home. J-In cream helps cleaning & polishing, restoring and preserving the surfaces.

Gloss Level

Buffability

Durability

J In Cream – (HSN – 3405 3000)

Packing

250ml, 5L, 35L, 200L

Characteristics

- White Cream
- Contains wax
- High cleaning agents

Key Benefits

- Generates deep, rich shine on car's interiors, bikes, fine wooden furniture, metal, glass, leather and plastic surfaces.
- Prevents surface from fading, cracking and discolouration.

How to use

- Apply the cream with an applicator sponge of microfiber on a 2ft X 2ft surface and wipe it with Jopasu Magic Wipe (Microfiber) in a circular motion.
- Buff with a complete dry Microfiber to generate an excellent depth of gloss.

Notes

- Do not inhale/swallow.
- Avoid contact with skin and eyes.
