

JUGGERNAUT Car Duster

An International Quality Car Duster used for cleaning the car within minutes. The Duster consists of 100% wax-treated cotton strands. This technology magically boosts the Duster to lift the dust without scratching the car's surface. The heavy duty mop-head results in looking the car just washed thereby reducing the number of car washes. A complete water saver product.

Cleaning Strength

Durability

JUGGERNAUT Car Duster

Packing

35 Pcs in Master Box

Characteristics

- 100% wax-treated cotton strands
- Light weight robust design
- Re-engineered for supreme performance

Key Benefits

- Doesn't just moves dust.....Removes it.
- Used for home & office furniture too.
- Long lasting. Needs washing ONLY when Duster resists picking up dust.
- Extended life by using Duster Rejuvenator.

How to use

- Shake the Duster vigorously before and after use.
- Wipe the car's surface from top to down.
- Do NOT use the Duster on wet surface.

Notes

- Washing is recommended only when the Duster stops picking up dust (after almost 250 car cleans).
- When not in use, always keep the duster inside its bag.
